Wesley Spectrum Transition Age Dialogue-

The plan right now is to have one group with 7 youths and 7 providers to match. Wes suggested he may have some interest residents, but that will still leave room for staff from Wesley to participate. The target date for the dialogue is some time in February. It has been suggested to Ryan that he form a small committee at Wesley to help him work out all the details. Wesley is willing to contribute all the food. NO stipend is necessary for anyone for this dialogue as the youth are happy to attend. The facilitators note taker and assistants for this dialogue have not yet been selected. The theme remains the same as earlier. "CHOICE; who makes the decisions."

ACTION ITEM

Ryan will secure a date and work on getting youth signed up after a date is set.
